Five-Year Assessment Report

Dear Mr. Cronmiller:

EPA and PADEP have reviewed the replacement pages, submitted by AGC on 7/18/11, for the Marjol Battery Site Corrective Measures Implementation Completion Report and Five-Year Assessment Report (Report), dated 2/15/11.

The replacement pages adequately address the comments in the EPA review letter, dated 6/7/11.

Therefore, the Report is approved.

If you would like to discuss this letter, please call me at 215-814-3416.

Sincerely,

Maureen Essenthier, Project Manager
